RP-1672 - 4¢ / EXCISE / TAX on 1/8th pound, fine roulette (11), control # **5180131**, on a 2¾" x 4" x 1¼" package of **BOISVERT - No. 80 - PIPE TOBACCO** by "Robert Prevost", St. Charles, Quebec.
The stamp is uncancelled, but the control probably comes from 1946 - priced at 20¢ plus tax on stamp.

Lee Brandom did not list the fine roulette except as with Long White Ends, but if this was a LWE strip it was trimmed prior to application.
